

This is Transition

Please join us for a three part series of informational evening seminars. These presentations will provide students, families and school staff with valuable information for future planning and will assist in transitioning students from school to adult life.

All presentations will begin at **6:30pm** and will be held at **Amherst Regional High School**. All are welcome to attend these free information sessions.

Please RSVP to sepac@arps.org or 413-687-4255.

Session 1: April 25th, 2018 Wednesday: Intro to the Transition Planning Process

An overview of the transition planning process for youth with disabilities ages 14-22 on IEPs. Will also include some tools for creating a vision for after high school. Presented by Leslie Leslie from the Federation of Children with Special Needs. Held in ARHS library.

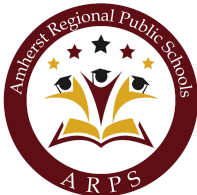

Session 2: May 2nd, 2018 Wednesday: ABCs of Adult Agencies

An opportunity to hear from and to meet with representatives of some of the adult agencies in our state, including the Department of Developmental Services (DDS), the Massachusetts Rehabilitation Commission (MRC), and others. Come find out what kinds of services and supports are available after high school and what you and your student need to do to apply for them. Held in ARHS cafeteria.

Session 3: May 9th, 2018 Wednesday: Family to Family

Families with a range of experiences and perspectives will share details of their students' journeys into adulthood and discuss how and why they and their children made the choices that they did. There will be plenty of time to meet with panelists and ask questions. Be prepared to laugh a little and learn a lot! Held in ARHS library.

Sessions offered by: Amherst Regional Public Schools, Federation for Children with Special Needs and Special Education Parent Advisory Council (SEPAC).
