## HOW TO BE A STEAM PLAYER: LESSONS FROM SPACE FOR GCC

Monday, October 22  
3:30-5pm  
Dining Commons

NASA astronaut, chemist, and member  
of GCC's Board of Trustees

### CADY COLEMAN

talks about how we all play a role in  
STEM (science, technology,  
engineering & math) solutions,  
because we need diverse teams  
with diverse skills to solve  
tomorrow's challenges—in  
space, on earth, and right  
here at Greenfield  
Community College.
